### 1. Mangan Manufacturing Co.

**Managing Director:** Mr. Abbaspour (Engineer)

**Tel:** 0098-21-6803364 (16 line)

**Fax:** 0098-21-6801375

**Web Site:** www.mangan-co.com

**Email Address:** info@mangan-co.com

**Field of Activity:** Design, Construction, Installation, Commissioning & After Sales Services Of

:  
Various type Of Offshore - harbor and mobile Crane – Ship , Train , Air Craft Loading and unloading equipment For bulk Materials , Liquids , Container and general Cargo – Long distance belt Conveyor with Vertical and horizontal Curves Stacker and Reclaimer – Loading arms – Petrochemical and Oil Processing Projects – Offshore Constructions – Combustion Eng. – Turbo Machineries - Driers – Mineral Processing.

**Field of Activity:** Design & Manufacturing & Project Management in the field of Hydromechanical & Hydroelectrical Equipment of Drums & Storage Tanks and Pressure Vessel , Heavy Steel Structures.

### 2. Sadid Industrial Group

**Managing Director:** Mr. Toofaninejad (Engineer)

**Tel:** 0098-21-8889470-1

**Fax:** 0098-21-8777878

**Web Site:** www.sadid.ir

**Email Address:** sadiding@sadid.ir

**Field of Activity:**

- General contractor for oil, gas and petrochemical projects
- General contractor for gas power plants/wind power farms projects
- Production of heavy castings/rolls, needle valves, dismanting joints and heavy steel structures
- Manufacture of various machines and gearboxes for steel mills, sugar mills and cement plants
- Manufacture of overhead cranes, gantry cranes, hoists and hydromechanical equipment.
- Production of steel pipes for oil, gas, and water projects, 56" diameter LSWA steel pipes for soar gas transmission.

### 4. SUPER ACTIVE MFG CO.

**Managing Director:** Mr. Moslehi (Engineer)

**Tel:** 0098-21-8771527

**Fax:** 0098-21-8771623

**Web Site:** www.superactiveco.com

**Email Address:** info@superactiveco.com

**Field of Activity:** Design and Production of Steam Boilers(Fire Tube/Water Tube), Hot Water Boilers(Fire tube/Wter tube), Thermal Fuild Heater, Petrochemical Equipment(Heat Exchangers, Pressure Vessels, Storage Tanks, Distillation towers, ...) and production of Absorption Chillers.

### 5. Niroumoharekeh Machine Tools Co.

**Managing Director:** Mr. Norouz Bakhtiari (Engineer)

**Tel:** 0098-21-8796991

**Fax:** 0098-21-8775402

**Web Site:** www.nmt-co.com

**Email Address:** nmt@mftmail.com

**Field of Activity:**

- Process design engineering and manufacturing
- Pretreatment
- Painting booth
- Baking oven
- Heater package
- Complete paint shop
- Automation
- Coneying (over head or ground)
- Heavy & light steel works
- Special purpose machines PLC & CNC
- Power train production lines
- Turn-Key projects

### 3. Fanavary Novin Niroo

**Managing Director:** Mr. Kavianpour (Doctor)

**Tel:** 0098-21-2365985,2365996

**Fax:** 0098-21-2063873

**Web Site:** www.novin-niroo.com

**Email Address:** info@novin-niroo.com

### 6. Iran International Engineering Company (IRITEC)

**Managing Director:** Mr. Farmani (Engineer)

**Tel:** 0098-21-8778116, 8778027

**Fax:** 0098-21-8778218

**Web Site:** www.iritec.com

**Email Address:** info@iritec.com

**Field of Activity:** IRITEC pioneering the industrial turnkey projects in following fields:

- Oil, Gas and petrochemical
  - Ferrous and non-ferrous metals
  - Mines and mineral industries
- 

## **7. Sanayea Farasahel (SAFF)**

**Managing Director:** Mr. M.B.Hashemzadeh Khameneh (Engineer)

**Tel:** 0098-21-8888910, 8792132-6

**Fax:** 0098-21-8789372

**Web Site:** www.Saffco.com

**Email Address:** office@saffco.com , commercial@saffco.com

### **Field of Activity:**

The activities of this company consists mainly of EPC Projects (Engineering, Procurement, Construction, Installation and Commissioning) of offshore structure, marine pipe laying, construction of port and harbor facilities, repair and servicing of all type of offshore facilities, salvage operation, salvage operation, drilling and exploration of oil & Gas.

## **8. SANGUIN KAR BERMYY CO.**

**Managing Director:** Mr. ALIZADEH BERMYY (Engineer)

**Tel:** 0098-21-2015712,2014212

**Fax:** 0098-21-2014533

**Web Site:** www.bermyco.com

**Email Address:** Bermy@engineer.com

### **Field of Activity:**

Producer of foamatic firefighting vehicles in iran (specially designed for airports , refineries and petrochemical plants) and civil defense vehicles.

Products:

- Foamatic firefighting vehicles in iran (specially designed for airports, refineries and petrochemical plants)
- Civil defense vehicles
- The manufacture of fire fighting pumps
- The manufacture of all types of overhead Giredr, Gantry and Column JIB cranes

## **9. Mahdin Industrial Co.**

**Managing Director:** Mr. Tajzad (Engineer)

**Tel:** 0098-21-4501898,4501899

**Fax:** 0098-21-4503547

**Web Site:** -----

**Email Address:** Mahdin\_ind@neda.net.ir

**Field of Activity:** Design Engineering & Manufacture of Oil , gas , Petrochemical & Power Plant Equipment.

---

## **10. REACTORSAZ Co.**

**Managing Director:** Mr. Tabe jamaat (Engineer)

**Tel:** 0098-21-8747704, 8747705, 8732593, 8501194

**Fax:** 0098-21-8735229

**Web Site:** -----

**Email Address:** mpsv@reactorsaz.com

### **Field of Activity:**

Designer & Manufacturer of Oil, Gas & Petrochemical Industrial Equipments (Pressure vessels, Storage tank, Chemical injection packages & Claded vessels)

---

## **11. IRCAS T METALLURGICAL ENGINEERING GROUP**

**Managing Director:** Mr. Behboodi (Engineer)

**Tel:** 0098-21-8870831-4

**Fax:** 0098-21-8870837

**Web Site:** -----

**Email Address:** ircast@mail.dci.co.ir

**Field of Activity:** Design and Manufacturing of Industrial Furnace

---

## **12. SADAD MACHINE CO.**

**Managing Director:** Mr. A.Maleki (Engineer)

**Tel:** 0098-21-5246439,5249619

**Fax:** 0098-21-5243205,5248952

**Web Site:** WWW.IRAN-EXPORT.COM

**Email Address:** Sadad@mftmail.com

**Field of Activity:** Designing & Manufacturing / commercial/import/Export

Production: Hydromechanical Equip, Cranes & Hoisting Equipment, Needle valver, Dismantling joints, sugar Factory Equipment, Heavy steel structures, industrial Gearboxes, Steel industries Equip.

### 13. Kousha Metal Ind

**Managing Director:** Mr. EHSANI YEGANEH

(Engineer)

**Tel:** 0098-21-8810684,5

**Fax:** 0098-21-8836224

**Web Site:** www.KoushaInd.com

**Email Address:** Info@KoushaInd.com

**Field of Activity:**

- Manufacturing edible oil factory extraction plants
  - Manufacturing edible oil factory mechanical plants
  - Petrochemical and power plants
  - Pressure vessels
  - Shell and tube heat exchangers
  - Steel structures
  - Rebuilding parts
  - Manufacturing parts
- 

### 14. IRAN ITOK Engineering Company

**Managing Director:** Mr. Torabi Sarijallo

(Engineer)

**Tel:** 0098-21-8788185, 8774226

**Field of Activity:**

A: Construction of

- Petrochemical , Gas & Oil Plants
- Power Plants
- Steel Industry Plants and Process Plants

B: Design and Fabrication of

- Pressure Vessel
  - Storage Tank
  - Heat Exchanger and Heavy Steel Structure
- 

### 17. OSVE IRAN Industrial Group

**Managing Director:** Mr. Arimi (Engineer)

**Tel:** 0098-21-8739498, 8731130

**Field of Activity:** Engineering & Procurement & Construction of: Oil & Industries, Water Tube Steam Boiler, Water Treatment System, Waste Water Treatment System, Pressure Vessel, Heat Exchanger, Super Heater, Economizer, Dearetor, ...

---

### 18. Iran Shipbuilding & Offshore Industries Complex Co. (ISOICO)

**Managing Director:** Mr. Karbalaee (Engineer)

**Tel:** 0098-21-8089915

**Fax:** 0098-21-8085511

**Web Site:** www.isoico.com

**Email Address:** info@isoico.com

**Field of Activity:**

**Shipbuilding Division:** Design & building all kind of vessels (range from 50 to 300,000 DWT)

**Shiprepair:** All type of vessels (range from 50 to 300,000 DWT)

**Offshore Services:** Design & Fabrication all kind of offshore equipments up to 12,000 tones.

**Special Economic Zone:**

- 1- Offshore all port facilities on export
  - 2- Terminals for Export of mineral materials & related oil production & import of raw material & spare parts.
- 

### 19. Energy Equipment Production Co. (TETA)

**Managing Director:** Mr. Salimi (Engineer)

**Tel:** 0098-21-8820578

**Fax:** 0098-21-8820572

**Web Site:** WWW.HEPCOIR.COM

**Email Address:** TETA@HEPCOIR.COM

**Field of Activity:**

- Production of power plant in fields of Gas, Combine cycle, Hydro Electric Equipment.
- Production of Earth moving Machinery Equipment.
- Production of Steel plant Equipment.
- Production of Oil, Gas, Petrochemical Equipment.
- Production of Heavy steel structure.
- Production of Heavy steel cranes in field over head, Gantry, harbour.
- Production of Dam Hydromechanical Equipment.
- Erection of Industrial Equipment.

---

## 20. PETROCHEMICAL INDUSTRIES DESIGN EQUIPMENT AND PARTS MANUFACTURING CO. (TOOS)

**Managing Director:** Mr. G.R.GHANOONI (Engineer)

**Tel:** 0098-21-2046618, 2053680

**Fax:** 0098-21-2047530

**Field of Activity:**

PRODUCTS:

SHELL AND TUBE HEAT EXCHANGER

- Tube Bundle
- Double Pipe
- Condenser
- Evaporator

AIR COOLER

FIRED HEATER

- Cylindrical
- Box

PRESSURE VESSEL

- Carbon Steel
- Stainless steel

SPIRAL WOUND GASKET

- Graphite, Teflon, Asbestos Fillers
- SS304, SS316, SS321 Strips
- Standard and Non Standard Sizes

MACHINERY SERVICES

- Reconditioning of Rotors
- Major Overhaul

- Erectin

- Precommissioning & Commissioning

**Field of Activity:**

- Manufacturing high voltage induction motors  
under the license of SIEMENS Co. We  
manufacture induction motors for both safe and  
hazardous areas(E Ex e and E Exn). For more

specific details please refer to our catalogues and technical brochures.

- Producing all type of form-wound coils and armature coils
  - Producing Roebel bars for power generators
  - Producing bare and insulated copper wire
  - Repairing and rewinding high voltage motors, generators and transformers
  - Rebuilding and rewinding DC and AC traction motors
-
